**RESPONSE TO NOTICE TO FILE MISSING
PARTS OF NONPROVISIONAL APPLICATION**

Sir:

Applicants are in receipt of a Notice to Filing Missing Parts, dated June 1, 2001, in the above-identified application. The Notice instructs Applicants to provide an executed declaration, the surcharge (\$130.00) under 37 C.F.R. § 1.16(e), a substitute set of drawings having suitable margins under 37 C.F.R. § 1.84(g), a corrected Sequence Listing in compliance with the latest formatting rules of the Patent Office, and a corresponding substitute computer readable form for the Sequence Listing.

Because this response is filed within two months of the mailing date of the Notice, no additional fees are believed to be required. However, to avoid abandonment, the Commissioner is hereby authorized to charge any fee that is determined to be due to Deposit Account No. 50-0268.

Please amend the application as indicated below.

IN THE SEQUENCE LISTING AND COMPUTER READABLE FORM

Please delete the original Sequence Listing and substitute therefor the attached amended Sequence Listing contained on Substitute Sequence Listing Sheets 1-48.

Please replace the original computer readable form with the enclosed substitute computer readable form.

IN THE DRAWINGS

Please delete the original Figures 1-7 on eight sheets submitted with the original application papers and substitute therefor the accompanying eight sheets of drawings transmitted herewith.

REMARKS**Executed Declaration/Power of Attorney**

As requested in the Notice To File Missing Parts, Applicants submit herewith a combined declaration/power of attorney, executed by inventors Rondon and Ladner. Entry of the executed combined Declaration/Power of Attorney is respectfully requested.

Amended Sequence Listing and Substitute Computer Readable Form

Applicants submit herewith an amended Sequence Listing in the form of Substitute Sequence Listing Sheets 1-48 (containing all SEQ ID NOS:1-151) to replace the Sequence Listing, which was originally filed with the application and which was objected to in the Notice to File Missing Parts for certain listed informalities. The specific sequences of SEQ ID NOS:1-151 in Substitute Sequence Listing are identical to those in the originally filed Sequence Listing. However, editorial and clerical errors pointed out by the OIPE/STIC have been corrected: i.e., insertion of a missing field in association with SEQ ID NO:108, correction of the current application number, spelling correction of "Gly" at line 62, insertion of a comma at line 92, spelling correction of "Phe" at line 121, and spelling correction of "Met" at line 170.

Entry of the substitute Sequence Listing and the accompanying CRF is respectfully requested.

Statements under 37 C.F.R. § 1.825(a) and (b)

The substitute Sequence Listing is provided on Substitute Sequence Listing Sheets 1-48 in accordance with 37 C.F.R. § 1.825(a). The undersigned attorney hereby states that the amendments cure obvious clerical errors, as indicated above, and that the sequence information provided on Substitute Sequence Listing Sheets 1-48 adds no new matter.

Furthermore, in accordance with 37 C.F.R. § 1.825(b), the undersigned attorney hereby states that the substitute computer readable form, submitted herewith, contains the same information as the amended Sequence Listing contained on substitute Sequence Listing sheets 1-48.

Substitute Drawings

New drawings were required in the Notice to File Missing Parts of June 1, 2001. The Notice specifically notes that the originally submitted eight sheets of drawings did not provide the top, side, and bottom margins required under 37 C.F.R. 1.84(g). New sheets of drawings are submitted herewith, each of which provide at least a 1-inch top margin, at least a 1-inch left margin, at least a 5/8-inch right margin, and at least a 3/8-inch bottom margin. Entry of the substitute eight sheets of drawings is respectfully requested.

Applicants respectfully request entry of the executed combined Declaration/Power of Attorney, the replacement sheets of drawings, Substitute Sequence Listing Sheets 1-48, and the substitute computer readable form to complete the formal requirements for this application.

Respectfully submitted,

Thomas R. Berka, Ph.D. (Reg. No. 39,606)

Leon R. Yankwich (Reg. No. 30,237)

NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

- The oath or declaration is unsigned.
- To avoid abandonment, a late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(e) of \$130 for a non-small entity, must be submitted with the missing items identified in this letter.
- **The balance due by applicant is \$ 130.**

The application is informal since it does not comply with the regulations for the reason(s) indicated below.

The required item(s) identified below must be timely submitted to avoid abandonment:

- Substitute drawings in compliance with 37 CFR 1.84 because:
 - drawing sheets do not have the appropriate margin(s) (see 37 CFR 1.84(g)). Each sheet must include a top margin of at least 2.5 cm. (1 inch), a left side margin of at least 2.5 cm. (1 inch), a right side margin of at least 1.5 cm. (5/8 inch), and a bottom margin of at least 1.0 cm. (3/8 inch);
- A copy of the "Sequence Listing" in computer readable form has been submitted. However, the content of the computer readable form does not comply with the requirements of 37 C.F.R. 1.822 and/or 1.823, as indicated on the attached copy of the marked-up "Raw Sequence Listing." Applicant must provide a substitute computer readable form (CRF) copy of the "Sequence Listing" and a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d).
